BUSINESS PARTNERS

This home was renovated for housing at-risk mothers in stage one of a recovery process from addiction. The home consists of: 8 bedrooms, 8 baths, 1 living room, 1 theater room, 1 office, 1 computer room, 1 play room, a mutual kitchen and dining room and 1 laundry. One of the bedrooms and one of the baths are ADA compliant on the first floor. The home constructed around 1908 is currently registered with the historical society and is actively on the registry. The home was essentially a complete restoration and remodel with all new rough-in and finishing items.
