

HOME RENOVATIONS  
**ALH**

# ROOM ADDITION \$100,000 - \$250,000

## GOLD ★ ALL STAR ★

### BUSINESS PARTNERS

The clients purchased this home for its location in a desired older neighborhood and the modern kitchen design remodeled several years prior. The dining room, hearth room and office spaces were too small for the owner's needs; coupled with the fact they were a distance away from the kitchen where the owners hoped to spend more family time and occasional social gathering. A solution emerged in the form of a room addition to the North of the home.
