### BUSINESS PARTNERS

Traveling the world inspired this couple's desire for a whole house remodel. The kitchen was altered to create a wall of glass and a vaulted ceiling with skylights. Spalted maple cabinetry with a live-edge table top and hood façade create an eclectic look. A prep kitchen was created off the main kitchen, formerly a laundry. The family room showcases a reef tank suspended over a bar and a wall of niches for a TV and several art pieces. A new powder bath was added to the family room and the previous hall bath was expanded into a modern laundry room.
