

HOME RENOVATIONS

ALH

BATH REMODEL \$75,001 - \$100,000

GOLD

BUSINESS PARTNERS

The small and outdated master bathroom just didn't work for this couple. Privacy and storage was very important. The best option was to expand slightly into the master bedroom. With this expansion came a more functional and aesthetically pleasing master bathroom. In addition to getting this lavish bathroom, the other wonderful benefit was providing the homeowner with an acceptable size and scale His and Her closets.
